Partner with Ikun through GSA OASIS

Today's missions are complex, global and increasingly collaborative. They require a spectrum of capabilities that securely integrate knowledge, technologies, policies and processes into practical solutions. Ikun is at the forefront of these initiatives in domains as diverse as Logistics and Material Management, Information Technology and Communications, Intelligence, Strategic Planning and Analytics, Knowledge Management, Business Process Reengineering and Lifecycle Document Support. Demanding, complex and collaborative work executed to success with thoroughness, agility and precision across the most demanding DoD, Intelligence, Department of Homeland Security and Law Enforcement operations. This is the Ikun difference.

Ikun is able to deliver these superior mission outcomes with socially and ethically business practices. The company is a subsidiary of Akima, LLC, part of the NANA Corporation, which is owned by approximately 14,000 Iñupiat shareholders in northwest Alaska. Ikun's corporate culture is steeped in the values that flow from its Alaska Native leaders.
