ABOUT US:

Abacus Technology (the successor in interest of ATC IT Services, LLC through its purchase of the company and combination with Abacus) was established in 1983 as a minority-owned business dedicated to total customer satisfaction. Over the past 35 years, we have steadily grown and remain a top-quality provider of Engineering, Technology Acquisition, and Management consulting services. These key service areas are enhanced by our value-added support capabilities in mission assurance, network engineering, system integration, research and analysis, integrated logistics, cloud adoption, and Foreign Military Sales. FSC CAGE Code: 0FVN8.
