One Acquisition Solution for Integrated Services

Your OASIS Partner of Choice

If you're looking for efficiency in your operations, you need an experienced team to handle every detail. Whether its project management or GIS support services, Cherokee Nation Technologies (CNT) delivers best-value solutions by partnering with clients to help them achieve their goals. CNT's parent company — Cherokee Nation Businesses — provides significant infrastructure support and financial stability, whether it's dedicated program management, human resources or accounting resources, CNT provides the responsiveness of a small business matched with the maturity of a large corporation.
